

Ray Brougham's Voyage with COAST

We are proud to announce that Ray Brougham, President and CEO of Rainhouse Manufacturing Canada Ltd., is an esteemed Strategic Advisor of COAST. His commitment to sustainable practices and innovation aligns seamlessly with COAST's vision.

COAST Talks Webinar: "Seas of Innovation: Crafting a Sustainable Future through Blue Economy Prototypes"

On January 30th, from 11 AM to 12 PM, Ray participated in the COAST Speaker Series along with Colin Lacey - Tycrop Trailers, Cris Fletcher - Founder, G2 CNC, and Voytek Klaptocz - Offshore Design. The discussion revolved around a deep dive into sustainable innovation as industry pioneers, share insights into prototype manufacturing within the blue economy.
