

LOOKING TO THE FUTURE

As we look ahead to 2025, we can't wait to see what the next generation of engineers and innovators will bring to the table. The 2024 Engineering Showcase was a clear reminder of the immense talent and potential within our community, and we're excited to continue fostering this spirit of collaboration.

VIP NETWORKING EVENT

Following the conclusion of the 2024 Engineering Showcase, Rainhouse hosted an exclusive VIP networking event for our event sponsors and the winning student teams. This special gathering offered students a valuable opportunity to engage with industry leaders, share their innovative ideas, and explore potential future collaborations

“

The event was fantastic! Thanks for having us!

Kelly Saindon
Camosun College

Thank you to everyone who participated, volunteered, and supported this year's event—your dedication and enthusiasm are what make the Engineering Showcase such a success.

See you next year!
