

QUALITY MANUFACTURING

SEAMLESS SOLUTIONS

Rainhouse offers end-to-end contract manufacturing solutions, delivering precision, quality, and efficiency at every stage of production.

Rainhouse is committed to the highest standards of quality and compliance. We proudly maintain **AS9100D** and **ISO 9001:2015** certifications, Canadian **Controlled Goods** registration, **Reliability Clearance**, and recognition as an **Approved First-Level Manufacturer** under DEF Stan 02-862: Naval Fasteners. Additionally, we hold a **Class MA Boiler and Pressure Vessel Licence** (License No.: LPB0201365) and our skilled technicians are accredited to **IPC-A-610** and **IPC/WHMA-A-620** standards.

Contract Manufacturing

While our primary focus has been prominently CNC Machining and Electronic Manufacturing Services, our strong network of suppliers and meticulous attention to detail enable us to handle diverse projects with precision and reliability from idea to done.

We collaborate with clients to meet their specific needs, ensuring seamless integration and consistent results.

Rainhouse delivers turnkey contract manufacturing solutions.
We provide assemblies and systems tailored to client specifications and timelines.

PROVEN SUCCESS

Rainhouse partners with clients in aerospace, defence, marine, and advanced manufacturing, delivering precision solutions tailored to diverse production needs. From sourcing materials to final assembly, we manage every step of the process with a focus on quality, efficiency, and seamless communication. Our dedication to excellence enables businesses to innovate confidently, achieve their goals, and exceed expectations.

"Many thanks to you folks for being so helpful in getting to this point. You guys walk on water from our perspective and are a pleasure to work with."
